Dear Mr. Conroy:

Enclosed please find the 2006 annual report for the Commonwealth's Enhanced Safety and Emissions Program (IM). This report is being submitted by the Massachusetts Department of Environmental Protection, in compliance with 40 CFR 51.366, and includes the data required by paragraphs (a)-(d) of this regulation.

The 2006 report documents continued improvement of the Massachusetts' IM program throughout the year. We continue to ensure that the IM program functions well and meets our SIP commitments.

Please let us know if you have any comments or questions on the attached reports. We look forward to continuing to work with you on the Commonwealth's IM program.

Sincerely,

Nancy L. Seidman, Director
Division of Consumer and Transportation Programs
Bureau of Waste Prevention
